ORDER OF THE BOARD (by C.M. Santos):

On November 22, 2017, the Illinois Environmental Protection Agency (IEPA or Agency) filed a recommendation that the Board certify certain facilities of Advantage Pork LLC (Advantage Pork) as “pollution control facilities” for preferential tax treatment under the Property Tax Code. *See* 35 ILCS 200/11-5 *et seq.* (2016); 35 Ill. Adm. Code 125. Advantage Pork’s swine production facility is located at 16174 Crego Road in DeKalb, DeKalb County. In this order, the Board describes the legal framework for tax certifications, discusses IEPA’s recommendation, and certifies that Advantage Pork’s identified livestock waste management facilities are pollution control facilities.

LEGAL FRAMEWORK

Under the Property Tax Code, “[i]t is the policy of this State that pollution control facilities should be valued, at 33 1/3% of the fair cash value of their economic productivity to their owners.” 35 ILCS 200/11-5 (2016); *see also* 35 Ill. Adm. Code 125.200(a)(2). “For tax purposes, pollution control facilities shall be certified as such by the Pollution Control Board and shall be assessed by the Department [of Revenue].” 35 ILCS 200/11-20 (2016); *see also* 35 Ill. Adm. Code 125.200(a). Under the statute, the Board determines if the facilities are pollution control facilities; however, the Board is not authorized to assess a value of those facilities.

Under Section 125.202 of the Board’s procedural rules, a person may submit an application for tax certification to IEPA. *See* 35 Ill. Adm. Code 125.202. If IEPA receives a tax certification application, IEPA must file with the Board a recommendation on the application, unless the applicant withdraws the application. *See* 35 Ill. Adm. Code 125.204(a). Among other things, IEPA’s filing must recommend that the Board issue or deny tax certification. *See* 35 Ill. Adm. Code 125.204(a)(4). If the Board finds “that the claimed facility or relevant portion thereof is a pollution control facility . . . , the Pollution Control Board . . . shall enter a finding and issue a certificate to that effect.” 35 ILCS 200/11-25 (2016); *see also* 35 Ill. Adm. Code 125.216(a).

IEPA RECOMMENDATION

IEPA states that it received a tax certification application from Advantage Pork on June 5, 2017.¹ Rec. at 1. On November 22, 2017, IEPA filed a recommendation with the Board, attaching Advantage Pork’s application (Rec. Exh. A). IEPA’s recommendation identifies the [facility/facilities] at issue:

[l]ivestock waste management facilities consisting of one concrete manure pit (approximately 255 ft. x 71 ft. x 8 ft.), the concrete slotted floor above the manure pit that captures and contains livestock waste, eight concrete pump out pits (approximately 6 ft. x 6 ft. x 6 ft. each), a plastic perimeter tile drain (approximately 6 in. x 2 in. x 768 ft.), and a concrete riser sampling port (approximately 2 ft. x. 8 ft.) for monitoring the tile. *Id.* at 1.

IEPA further describes the facilities as livestock waste management facilities “used to collect, store, and transport livestock waste prior to cropland application.” *Id.*

IEPA recommends that the Board certify that the livestock waste management facilities are pollution control facilities as defined in Section 11-10 of the Property Tax Code (35 ILCS 200/11-10 (2016)) with the “primary purpose of eliminating, preventing, or reducing water pollution.” Rec. at 2; *see also* Rec Exh. A at 1 (IEPA Memorandum), 2 (IEPA Review Sheet).

TAX CERTIFICATE

Based upon IEPA’s recommendation, Advantage Pork’s application, and the Board’s technical review, the Board finds and certifies that Advantage Pork’s livestock waste management facilities identified in this order are pollution control facilities under the Property Tax Code (35 ILCS 200/11-10 (2016)). The Board makes no finding regarding the assessed value of those facilities. Under Section 11-25 of the Property Tax Code, the effective date of this certificate is “the date of application for the certificate or the date of the construction of the facility, which ever is later.” 35 ILCS 200/11-25 (2016); *see also* 35 Ill. Adm. Code 125.216(a). Section 125.216(d) of the Board’s procedural rules states that the Clerk “will provide the applicant and the Agency with a copy of the Board’s order setting forth *the Board’s findings and certificate, if any.*” 35 Ill. Adm. Code 125.216(d) (citing 35 ILCS 200/11-30 (2016)). The Clerk therefore will provide Advantage Pork and IEPA with a copy of this order.

IT IS SO ORDERED.

Section 11-60 of the Property Tax Code provides that any applicant or holder aggrieved by the issuance, refusal to issue, denial, revocation, modification or restriction of a pollution control certificate or a low sulfur dioxide emission coal fueled device certificate may appeal the Board’s finding and order to the Circuit Court under the Administrative Review Law (735 ILCS 5/3-101 *et seq.* (2016)). *See* 35 ILCS 200/11-60 (2016). Filing a motion asking that the Board reconsider this final order is not a prerequisite to appealing the order. 35 Ill. Adm. Code 101.902.
