DISSENTING OPINION (by J. Theodore Meyer):

I dissent from the Opinion and Order of the Board which was adopted August 22, 1984, for the following reason. This case was on the final agenda for that day under the heading, "Discussions". The agenda provides notice to the interested parties involved in this enforcement action. The final agenda also provides notice to the public at large. The interested parties and the general public received no notice of the final action of this Board. Any person who read our final agenda would have been put on notice that this case was scheduled for discussion, and was not scheduled for decision. It is error for this Board to render decisions without providing notice to the interested parties and the general public.

Member of the Board

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above dissenting Opinion was filed on the 24th day of August, 1984.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
