**HEARING OFFICER ORDER**

On February 22, 2018, all parties participated in a telephonic status conference with the hearing officer. The parties were informed that complainants motion to exclude and strike testimony regarding exhibit 662 (Motion) and respondent's response is under review and an order will be issued.

Further, it was agreed that any appeals or motions relating to the hearing transcripts of January 29, 2018, February 1 and 2, 2018, are due 14 days from February 20, 2018. It was also noted that the hearing transcripts from January 30 and 31, 2018, have yet to be posted because they involve complainants motion that has yet to be decided.

The parties were informed that I am reviewing the proposed post-hearing briefing schedule and will issue an order.

Finally, complainants motion for an extension of time to file its exhibit list is granted without objection.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 15, 2018, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance.

IT IS SO ORDERED.
