ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a September 12, 1985 joint petition filed on behalf of the City of Metropolis and the Illinois Environmental Protection Agency (Agency) for an exception to the Combined Sewer Overflow regulations of 35 Ill. Adm. Code 306.305(a) and (b). Pursuant to 35 Ill. Adm. Code 306.351, a discharger must have notified the Agency of its interest in initiating the exception procedure by July 1, 1983, and must have submitted certain information to the Agency by October 1, 1983 in order to qualify for such relief. The present petition contains no statements regarding whether these dates were met. Therefore, the Board cannot determine whether the petition is properly before it.

Unless the parties file an amended petition within 45 days of the date of this Order curing the above-noted defect, the petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of September, 1985 by vote of 7-0.
