

ILLINOIS POLLUTION CONTROL BOARD  
March 22, 1990

IN THE MATTER OF: )  
 )  
UIC Update ) R90-5  
(7-1-89 through 12-31-89) ) (Identical in Substance Rules)

ORDER OF THE BOARD (by J. Anderson):

This matter is before the Board on the Board's own motion. There being no U.S. Environmental Protection Agency amendments to the corresponding federal Underground Injection Control rules during the present update period that the Board must adopt in this docket, the Board hereby dismisses this proceeding.

In the prior docket, R89-11, the Board proposed amendments to its UIC rules on January 25, 1990 to correspond with federal amendments occurring up through November 30, 1989. The Notice of Proposed Amendments appeared March 2, 1990, at 14 Ill. Reg. 3006 (Part 720) and 3014 (Part 730), and March 16, 1990, at 14 Ill. Reg. 3823 (Part 738). Among those proposed amendments are some based on three federal amendments occurring during the nominal update period of the present docket:

54 Fed. Reg. 34171	August 18, 1989
54 Fed. Reg. 35328	August 25, 1989
54 Fed. Reg. 47451	November 14, 1989

This was because the earliest amendment in that docket was June 14, 1989, and because the three later amendments further amended the two June 1989 amendments included in that docket.

This effectively reduced the time of interest for the present docket to December 1 through 31, 1989. There were no amendments to the corresponding federal rules during this time. Therefore, the Board dismisses this docket without proposing amendments to its UIC rules.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above Order was adopted on the 22<sup>nd</sup> day of March, 1990, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk
