 PROTECTION AGENCY,)
)
 Respondent.)

ORDER OF THE BOARD (by J. Anderson):

This petition, filed by Del Monte Corporation regarding its Can Manufacturing Plant No. 115, requests a variance from old Rule 205(n)(1)(B)(i) of Chapter 2 (now 35 Ill. Adm. Code 21.204(b)(1) to extend the December 31, 1984 compliance deadline ordered in PCB 82-147 for one year, until December 31, 1985.

The petition is deficient in a number of respects, failing to sufficiently address some of the information required by 35 Ill. Adm. Code 104.121, particularly as it relates to environmental impact and alternate methods of compliance. The Board suggests that deficiencies may be cured by incorporating and, as needed, updating the record in PCB 82-147. If an amended petition curing these defects is not filed within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20~~th~~ day of December, 1984 by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
