Hearing Officer Webb,

Wanting to bring to your attention that the specified phone hearing for May 28 th 2015 should be rescheduled as the inspection still is not completed...The inspector was at property briefly and did not want to wait for Mr Carr to get to the property, although he was offered on several occasions to take his photos of his previous findings area's. He declined to do so and said he would call with a time so everyone could be present . He was given contact number and have not heard anything from him since.. Therefore I believe we need to reschedule the phone hearing so we can at least take a step forward. Thank You ....Mr Yerk
