Agency Response to Joint Committee Recommendation to Proposed Rulemaking

Date: January 23, 2015

Agency: Illinois Pollution Control Board

Heading of the Part: General Rules

Code Citation: 35 Ill. Adm. Code 101

Register Citation: 38 Ill. Reg. 12685 (June 20, 2014)

Agency Response to Joint Committee Recommendation:

JCAR recommended that the Board “be more timely in codifying its procedural rules to reflect changes in Board practice.” The recommendation added that the Board “has been operating the Clerk’s Office On-Line (COOL) file management system since 2005 without codifying those procedures in its rules.”

The Board accepts JCAR’s recommendation. The Board will endeavor, consistent with available resources including staff, to be timely in amending its procedural rules to reflect changes in practice before the Board.
