**MOTION TO RECONSIDER OPINION FILED APRIL 2, 2015,
(CORRECTED ORDER OF APRIL 2, 2015 - MAILED MAY 18, 2015).**

Please Take notice that George William Bill Collins has on this 8th day of June, 2015, filed his Motion for Reconsideration of Opinion and Order of the Board which found that Judgment and Penalty should enter against Respondent.

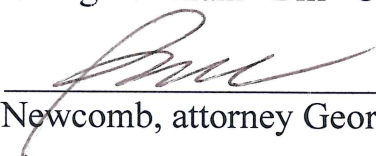

1. An Administrative Citation was issued on February 9, 2015. Respondent was advised he would have sufficient time to rectify the claimed violation. According to the Order, a petition for review should have been filed by March 16, 2015. However, the Assistant Pollution Control Clerk mailed the Order on May 18, 2015 and it was received by Respondent on June 5, 2015. According to statutory Administrative Review Codes, Respondent has 35 days from receipt to request Reconsideration or file an Appeal.
2. Respondent seeks a reconsideration of the Order of April 2, 2015. He alleges jurisdiction remains with the Board due to the late mailing of the Order.
3. Respondent claims;
 - a. He has not been given the opportunity to acquire compliance with the citation;

- b. He has not been given specific directions as to what is deemed to be out of compliance;
 - c. He has not committed the violations claimed.
4. Paula Newcomb, attorney, enters her appearance herein, for the Respondent Bill Collins.

WHEREFORE, THE RESPONDENT requests that the Board Reconsider the Order and Opinion issued on April 2, 2015 and mailed on May 18, 2015.
