**Subject:** R15-21: Preliminary questions

- 1) 214.101(a) ends with a citation to the Ill. Rev. Stat. equivalent of Sec. 10 of the EPAct, but I'm having a horrible time figuring out what part of this paragraph contains statutory text. (If not, should the citation be stricken to avoid confusion?)
- 2) 214.162(b): Would you prefer to change this subsection to a "Where..." statement?
- 3) 214.201(c): "so granted" → Am assuming this applies to "emission standard" only, not "exemption" too. Is this correct?
- 4) 214.300: "Subparts N et seq." → Is there a Subpart N?
- 5) 225.298(a)(1): What does "vintage" mean in this context?

Thanks so much for your consideration.

Jonathan Eastvold
