**HEARING OFFICER ORDER**

On April 11, 2016, the parties participated in a telephone status conference with the hearing officer. Respondent provided the noise study to complainant for review. Over the next several months, respondent will consider and possibly implement noise abatement methods. The fans at issue in this case operate only during the autumn harvest season, so the effectiveness of any noise control measures may not be known until that time.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:00 a.m. on August 15, 2016. The status conference shall be initiated by the complainant.

The parties have authorized electronic service.

IT IS SO ORDERED.
