ORDER OF THE BOARD (by J.A. Burke):

On August 16, 2012, Wood River Acquisitions, LLC (Wood River) and Heritage Transport, LLC (collectively, petitioners) timely filed a petition for review of an April 12, 2012 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2012); 35 Ill. Adm. Code 101.300(b), 105.206, 105.208. The determination partially denied petitioners' application to develop and operate a 10-day waste transfer facility located at 251 North Old St. Louis Road, Wood River, Madison County.

On December 9, 2013, petitioners filed a motion to dismiss (Mot.) this permit appeal. Petitioners' motion states that "the Agency has issued a revised permit addressing the issues underlying this appeal." Mot. at 1. The Board grants petitioners' motion, dismisses this case, and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above opinion and order on December 19, 2013, by a vote of 4-0.
