ORDER OF THE BOARD (by C.K. Zalewski):

On June 20, 2013, the Illinois Environmental Protection Agency (Agency) filed a recommendation that the Board certify certain facilities of Grainco FS, Inc. (Grainco) as “pollution control facilities” for preferential tax treatment under the Property Tax Code. See 35 ILCS 200/11-5 et seq. (2010); 35 Ill. Adm. Code 125. Grainco’s retail agrichemical facility is located at 10570 N. Lisbon Road in Morris, Grundy County. In this order, the Board describes the legal framework for tax certifications, discusses the Agency’s recommendation, and certifies that Grainco’s identified agrichemical containment structures are pollution control facilities.

LEGAL FRAMEWORK

Under the Property Tax Code, “[i]t is the policy of this State that pollution control facilities should be valued, at 33 1/3% of the fair cash value of their economic productivity to their owners.” 35 ILCS 200/11-5 (2010); see also 35 Ill. Adm. Code 125.200(a)(2). “For tax purposes, pollution control facilities shall be certified as such by the Pollution Control Board and shall be assessed by the Department [of Revenue].” 35 ILCS 200/11-20 (2010); see also 35 Ill. Adm. Code 125.200(a).

Under Section 125.202 of the Board’s procedural rules, a person may submit an application for tax certification to the Agency. See 35 Ill. Adm. Code 125.202. If the Agency receives a tax certification application, the Agency must file with the Board a recommendation on the application, unless the applicant withdraws the application. See 35 Ill. Adm. Code 125.204(a). Among other things, the Agency’s filing must recommend that the Board issue or deny tax certification. See 35 Ill. Adm. Code 125.204(a)(4). If the Board finds “that the claimed facility or relevant portion thereof is a pollution control facility . . . , the Pollution Control Board . . . shall enter a finding and issue a certificate to that effect.” 35 ILCS 200/11-25 (2010); see also 35 Ill. Adm. Code 125.216(a).

AGENCY RECOMMENDATION

The Agency states that it received a tax certification application from Grainco on June 4, 2013.¹ Rec. at 3. On June 20, 2013, the Agency filed a recommendation on the application with the Board, attaching Grainco's application. The Agency's recommendation identifies the facilities at issue:

Agrichemical containment structures consisting of one single concrete agrichemical fertilizer operational containment structure, one concrete agrichemical secondary containment structure, and associated collection and recovery systems as approved under Agency endorsed Agrichemical Facility Permit No. 91070669 (Log. No. 11060376). *Id.*

The Agency further describes the facilities as being used for "collecting, transporting, and storing agricultural residues prior to reuse or disposal." Rec. at 1. The Agency's recommendation identifies the location of the facilities as "Section 7, T34N, R7E of the 3rd PM in Grundy County." *Id.*

The Agency recommends that the Board certify that the identified facilities are pollution control facilities as defined in Section 11-10 of the Property Tax Code (35 ILCS 200/11-10 (2010)) with the primary purpose of "eliminating, preventing, or reducing water pollution." Rec. at 2.

TAX CERTIFICATE

Based on the Agency's recommendation and Grainco's application, the Board finds and certifies that Grainco's facilities identified in this order are pollution control facilities under the Property Tax Code (35 ILCS 200/11-10 (2010)). Under Section 11-25 of the Property Tax Code, the effective date of this certificate is "the date of application for the certificate or the date of the construction of the facility, which ever is later." 35 ILCS 200/11-25 (2010); *see also* 35 Ill. Adm. Code 125.216(a). Section 125.216(d) of the Board's procedural rules states that the Clerk "will provide the applicant and the Agency with a copy of the Board's order setting forth *the Board's findings and certificate, if any.*" 35 Ill. Adm. Code 125.216(d) (quoting in italics 35 ILCS 200/11-30 (2010)). The Clerk therefore will provide Grainco and the Agency with a copy of this order.

IT IS SO ORDERED.

Section 11-60 of the Property Tax Code provides that any applicant or holder aggrieved by the issuance, refusal to issue, denial, revocation, modification or restriction of a pollution control certificate or a low sulfur dioxide emission coal fueled device certificate may appeal the Board's finding and order to the Circuit Court under the Administrative Review Law (735 ILCS 5/3-101 *et seq.* (2010)). *See* 35 ILCS 200/11-60 (2010).

¹ The Agency's recommendation is cited as "Rec. at 3."

I, John T. Therriault, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 11, 2013, by a vote of 4-0.
