Respondent.)	

MOTION TO VOLUNTARILY DISMISS

NOW COMES Petitioner Illinois Power Generating Company (“IPGC”), by and through its attorneys, Schiff Hardin LLP, pursuant to 35 Ill. Adm. Code 101.500 of the Illinois Pollution Control Board’s (“Board’s”) procedural rules (35 Ill. Adm. Code 101.500) and asks the Board to dismiss this National Pollutant Discharge Elimination System (NPDES) permit appeal, stating as follows:

1. On October 21, 2016, Petitioner filed a Petition for Review of IEPA NPDES Permit No. IL0000108 (NPDES Permit), effective October 1, 2016, for the Coffeen Power Station, challenging certain conditions of the permit.
2. The Board stayed the effectiveness of the contested conditions of the NPDES Permit pending the final resolution of the appeal.
3. On May 10, 2017, IEPA issued a modified version of the NPDES Permit, pursuant to agreement of the parties that addressed the issues raised in the appeal.

WHEREFORE, Petitioner Illinois Power Generating Company respectfully requests that the Illinois Pollution Control Board dismiss this matter and close the docket.

Respectfully submitted,

/s/ Amy Antonioli
