BEFORE THE ILLINOIS POLLUTION CONTROL BOARD

IN THE MATTER OF:)
)
PROPOSED SITE SPECIFIC)
RULE FOR SANITARY DISTRICT) R14-24
OF DECATUR FROM 35 ILL. ADM.) (Site Specific Rule – Water)
CODE SECTION 302.208(e).)

**SANITARY DISTRICT OF DECATUR'S MOTION TO CORRECT
THE TRANSCRIPT OF THE MAY 16, 2018 HEARING**

The Petitioner, SANITARY DISTRICT OF DECATUR (“District”), by and through its attorneys, HEPLERBROOM, LLC, hereby moves the Illinois Pollution Control Board (“Board”) to correct the transcript of the May 16, 2018 hearing in this matter.

1. On May 16, 2018, a hearing was held in this matter in Decatur, Illinois.
2. A copy of the hearing transcript was uploaded to the Board’s website on May 23, 2018. *See* Hearing Transcript, *In the Matter of Proposed Site Specific Rule for Sanitary District of Decatur from 35 Ill. Adm. Code Section 302.208(e)*, PCB R 14-24 (May 16, 2018) (“Hearing Transcript”).
3. Upon review, the District noted several instances in the Hearing Transcript where grammatical or other errors were present.
4. A summary of those errors, as well as the District’s proposed corrections, are provided below.
5. On page 9 of the Hearing Transcript, Mr. Ryan McCrady stated that “Moreover, we aware of the Sanitary District’s efforts to achieve compliance with the existing standard” Hearing Transcript at 9:18-20. The District believes that the sentence should state, and therefore moves to correct the sentence, as follows: “Moreover, we are aware of the Sanitary District’s efforts to achieve compliance with the existing standard”

6. On page 23 of the Hearing Transcript, Hearing Officer Fox stated that the District's pre-filed testimony, when filed, was placed on the Board's website and made available for public viewing, "I believe on April 26th on the filing date." Hearing Transcript at 23:9-14. The District filed its pre-filed testimony with the Board on April 25, 2018 (the deadline to file pre-filed testimony imposed by the Board), which was then uploaded to the Board's website and made available to the public on the same day. Therefore, the District moves to correct this sentence to state "I believe on April 26⁵th on the filing date."

7. On page 44 of the Hearing Transcript, Hearing Officer Fox, when posing Board Question No. 16 to one of the District's witnesses, stated "It refers to the input data to the Biotic Ligan Model, the BLM" Hearing Transcript at 44:18-20. Consistent with the language used in Board Question No. 16 per Exhibit 7 "Hearing Questions for Witnesses: Sanitary District of Decatur" entered at hearing, the District moves to correct this sentence to state "It refers to the input data to the Biotic Ligand Model, the BLM"

8. On page 46 of the Hearing Transcript, Mr. Robert Santore stated that "We usual natural logarithms." Hearing Transcript at 46:10. The District moves to correct this sentence to state "We ~~usual~~ use natural logarithms."

9. On page 71 of the Hearing Transcript, Hearing Officer Fox poses Board Question No. 38 to Dr. Paul Bloom, stating "In number 38, you had pointed out in your Prefiled Testimony that the excess sludge removal allowed the removal of more than 10 point million dry pounds per year" Hearing Transcript at 71:12-15. Consistent with the language used in Board Question No. 38 per Exhibit 7 "Hearing Questions for Witnesses: Sanitary District of Decatur" entered at hearing, the District moves to correct this sentence to state "In number 38,

you had pointed out in your Prefiled Testimony that the excess sludge removal allowed the removal of more than 10 ~~point~~ million dry pounds per year”

Respectfully submitted,
