Subject: Question re Proposed Amendment to 35 Ill. Adm. Code 814

In response to your question earlier today, it appears that the reference to "258.61(a) and (c)" in 814.Appendix A, § (a)(1)(A) should have appeared as "258.10(a) and (c)."

It appears that I caught the error, and I corrected it in the text used in the Board's opinion and order, but I did not similarly make the correction in the text used for Illinois Register publication.

I examined the rules text for additional errors, and I found none.

Thank you for catching the error.
