HEARING OFFICER ORDER

On January 11, 2016, the parties participated in a telephone status conference with the hearing officer. Since the last status conference, the Illinois Environmental Protection Agency (Agency) has contacted USEPA about the applicability determination. According to USEPA, the determination is under review, but a decision date cannot be determined. The request for an applicability determination may be withdrawn if the parties are able to reach a settlement agreement in this case. The Agency will begin reviewing a plan recently submitted by respondent.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on March 29, 2016. The status conference shall be initiated by the People.

IT IS SO ORDERED.
