INTERIM ORDER OF THE BOARD (by J. Anderson):

On March 27, 1985 the parties filed a Third Revised Stipulation and Proposal For Settlement in response to concerns expressed in the Board's Order of February 20. There appears to be a significant typographical omission in the factual stipulation in paragraph 13 concerning three overflow points apparently on a sewer line tributary to the Galva northeast plant. The parties are directed to file a corrected paragraph 13. In so ordering, the Board expresses no opinion concerning the acceptability of the stipulation, preferring to wait until receipt of the complete document.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Interim Order was adopted on the 22 day of May, 1985 by a vote of 5-0.

  
Dorothy M. Gunn, Clerk
