

Board Adopts Updated Definition of Pollution Control Facility

On June 7, 2012, the Board adopted an amended definition of “pollution control facility” in Section 101.202 of its procedural rules. The proposal intends only to make the definition consistent with recent Public Acts amending it. The rulemaking is docketed as In the Matter of: Updates to the Definition of “Pollution Control Facility” at Section 101.202 of the Board’s Procedural Rules to Reflect Recent Public Acts (R12-22).

The Board did not receive a comment during the first-notice comment period. The Joint Committee on Administrative Rules, at its May 15, 2012, meeting issued its certificate of no objection to the Board’s proposal.

Opinions and orders of the Board, hearing transcripts, and other documents in rulemaking records are posted on the Board’s Web site and may be downloaded from the Web without charge. Hard copies may be obtained from the Clerk’s office upon payment of reproduction fees as prescribed by Section 6 of the Freedom of Information Act [5 ILCS 140/6].
