RECEIVED
CLERK'S OFFICE

OCT 09 2013

3 PA 89 445 eff 2-7-96
beyond boundaries of property

STATE OF ILLINOIS
Pollution Control Board

How can you go against your
own ordinances written in
your Environmental Protection Act
Dec 2007

you are contradicting your own
ordinances in your own rules

Are you for helping people with
problems or agreeing with
big polluting corporations with
their high priced lawyers & let
them keep on polluting & ruining
the environment

The least you
can do with
your big corp
lawyers is
at least spell
no me
correctly
