ORDER OF THE BOARD (by J. D. Dumelle):

On April 21, 1983 the Board modified the original Order in this matter which had been issued on February 15, 1979. The modification was at Petitioner's request and provided terms more stringent than those originally ordered. Hearing on the modifications was therefore deemed perfunctory. With its April 21st Order the Board retained jurisdiction of the matter so that any significant changes in fact or law occurring after that Order could expeditiously be considered.

On May 13, 1983 the United States Environmental Protection Agency issued a letter notifying the Agency and Petitioner that this matter would be disapproved as a State Implementation Plan amendment if hearing is not held. Therefore, Petitioner again moved for hearing on May 18, 1983. To avoid disapproval for lack of hearing, while it appears that this matter is otherwise satisfactory, Petitioner's motion is granted.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 14th day of May, 1983 by a vote of 4-0

Illinois Pollution Control Board
