HEARING OFFICER ORDER

On July 29, 2013, a hearing was held in this proceeding to allow for prefiled testimony by the Illinois Environmental Protection Agency (IEPA) in support of a motion to amend the proposal. The motion and testimony were filed on May 24, 2013. Questions were prefiled by several participants and at the July 29, 2013 hearing, questioning of the IEPA witness began. However, the questioning was not concluded on that date. Therefore an additional day of hearing is necessary to conclude the testimony by IEPA and questions of IEPA concerning the testimony and motion to amend the proposal.

A hearing is hereby scheduled and it will be a continuation of the July 29, 2013 hearing. Questioning of the IEPA witness based on the prefiled testimony and questions will be concluded. No other testimony will be heard at this hearing as additional hearings may be scheduled for that purpose.

All filings in this proceeding will be available on the Board's web page at www.ipcb.state.il.us and participants may file electronically on the Board's web page.

IT IS SO ORDERED.
