PROOF OF PETITION NOTICE REQUIREMENTS

Pursuant to 35 Ill. Adm. Code Sections 104.408 and 104.410, on April 10 2019, petitioner Emerald Polymer Additives, LLC (“Emerald”) published notice of the filing of its Petition for Adjusted Standard (“Petition”) by advertisement in a newspaper of general circulation in the area of Emerald’s chemical manufacturing facility in Henry, Illinois. In support of this filing Emerald states the following:

1. Emerald filed the Petition with the Clerk of the Illinois Pollution Control Board on April 3, 2019.
2. Pursuant to the Petition, Emerald seeks an adjusted standard from the total ammonia nitrogen as nitrogen (N) effluent standard in 35 Ill. Adm. Code 304.122(b) for the effluent from the wastewater treatment plant at the Emerald chemical manufacturing facility located at 1550 County Road 1450 N., in Henry, Illinois (“Henry Plant”).
3. On April 10, 2019, Emerald published notice of the filing of the Petition by advertisement in the *Henry News-Republican*, a newspaper of general circulation in Henry, Illinois.

4. As required by 35 Ill. Adm. Code Section 104.408(a), Emerald published notice of the filing of the Petition within 14 days after it filed the Petition.

5. The notice includes the specific language required by 35 Ill. Adm. Code Section 104.408(b).

6. As required by 35 Ill. Adm. Code Section 104.410, a certificate of publication issued by the publisher of the *Henry News-Republican* certifying publication of the notice on April 10, 2019, is attached as **Exhibit 1**. The certificate of publication attaches Emerald's notice as it appeared in the *Henry News-Republican* and states that the *Henry News-Republican* satisfies the requirements of the Illinois Notice by Publication Act, 715 ILCS 5/0.01, *et seq.* The language included in Emerald's notice is consistent with 35 Ill. Adm. Code Section 104.408(b).

7. Emerald's notice was also placed on a statewide public notice website as required by 5 ILCS 5/2.1. *See* Public Notice Illinois Website, <https://www.publicnoticeillinois.com/Details.aspx?SID=obl1tsj1tumtyy4hl23ofccu&ID=146171>.

WHEREFORE, for the reasons stated above, Emerald has satisfied the requirements for providing notice of the filing of its Petition for Adjusted Standard and for filing proof of such notice with the Illinois Pollution Control Board.

Respectfully submitted,

Emerald Polymer Additives LLC.
