HEARING OFFICER ORDER

On October 1, 2015, all parties participated in a telephonic status conference with the hearing officer. The petitioner stated that it anticipates a timely filing of its written responses to the Board's questions.

The petitioner and the respondent waived paper service of hearing officer orders in this matter and have consented to being served electronically. The parties have submitted their respective e-mail addresses and are included on the service list.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 10, 2015, at 9:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
