Wayne-

You have the right guy.....next time I see you out in the plant remind me and we will take a ride to see these rips.

Subject: rips in ash pond liner

Chris, in a safety meeting, with Todd, we discussed some possible rips in the east ash pond, and two rips in the west ash pond liner. He suggested, I get a hold of you, for further possible action. I would be happy to show someone these rips and/or it may be necessary to have somebody inspect the ash pond liners. Thanks wayne.

Comp. Ex. 105
