**HEARING OFFICER ORDER**

On June 28, 2016, all parties participated in a telephonic status conference with the hearing officer. The respondent's attorney stated that the Illinois Environmental Protection Agency is still reviewing the results of the stack testing and that it appears any questions regarding the tests have been resolved.

The petitioner stated that it will file an additional waiver of the statutory decision deadline to and including December 1, 2016. To that end, it was agreed that the record in this appeal is now due on or before September 15, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 8, 2016, at 11:00 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.

A handwritten signature in black ink, reading "Bradley P. Halloran", is written over a solid horizontal line.
