ORDER OF THE BOARD (by J. Anderson):

On October 23, 1981, the Agency moved to lift the April 16, 1981 stay of the conditions of these permits. On November 5, 1981 Alburn moved for an extension of time to file a reply, which is denied. The Board also denies the Agency's motion, as this case is nearly ripe for decision, and the Board intends to render an expeditious decision.

Pursuant to the briefing schedule established at hearing, Alburn's initial brief was to be due October 23, the Agency's brief to be due November 13, and Alburn's reply to be due November 23. As Alburn's brief was filed October 30, the Agency will be allowed to file its brief on or before November 20, while Alburn's reply date is November 30.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of November, 1981 by a vote of 4-0.
