HEARING OFFICER ORDER

On June 14, 2016, the respondent Midwest Generation filed a motion for an extension of time (Mot.), to July 26, 2016, to respond to complainants' motion for partial summary judgment. Among other things, Midwest states that complainants' motion is 46 pages in length accompanied with 81 exhibits. Mot. at 2. On June 17, 2016, complainants filed their response objecting to Midwest's motion for an extension of time. Among other things, complainants agree that the motion is complex and the record voluminous, but that a five week extension is too long. Resp. at 6. Complainants were willing to agree to a two week extension. *Id.*

After reviewing the motion for partial summary judgment and the accompanying exhibits, I find that the scope and complexity necessitates an extension of time to respond in an appropriate manner. Therefore, Midwest's motion is granted to the extent that their response is now due to be filed on or before July 19, 2016.

Please note that the previously scheduled telephonic status conference for June 24, 2016, is cancelled due to a scheduling conflict. A status conference will be rescheduled at a later date.

If the parties have not already done so, the parties are invited to submit their consent for electronic service in the above-captioned matter.
