(LUST Appeal – Ninety Day Extension)

REQUEST FOR NINETY DAY EXTENSION
OF APPEAL PERIOD

NOW COMES the Respondent, the Illinois Environmental Protection Agency (“Illinois EPA”), by one of its attorneys, James G. Richardson, Deputy General Counsel, and, pursuant to Section 40(a)(1) of the Illinois Environmental Protection Act (415 ILCS 5/40(a)(1)) and 35 Ill. Adm. Code 105.208, hereby requests that the Illinois Pollution Control Board (“Board”) grant an extension of the thirty-five (35) day period for petitioning for a hearing to June 4, 2015, or any other date not more than a total of one hundred twenty-five (125) days from the date of receipt of the Illinois EPA’s final decision. In support thereof, the Illinois EPA respectfully states as follows:

1. On January 22, 2015, the Illinois EPA issued a final decision to the Petitioner.
2. On February 12, 2015, the Petitioner made a written request to the Illinois EPA for an extension of time by which to file a petition for review, asking the Illinois EPA to join in requesting that the Board extend the thirty-five day period for filing a petition by ninety days. Upon information and belief, the Petitioner received the final decision on or about January 30, 2015.

3. The additional time requested by the parties may eliminate the need for a hearing in this matter or, in the alternative, allow the parties to identify issues and limit the scope of any hearing that may be necessary to resolve this matter.

WHEREFORE, for the reasons stated above, the parties request that the Board, in the interest of administrative and judicial economy, grant this request for a ninety-day extension of the thirty-five day period for petitioning for a hearing.

Respectfully submitted,

ILLINOIS ENVIRONMENTAL PROTECTION AGENCY

James G. Richardson
Deputy General Counsel

Leaking UST Incident No. 20120578
Leaking UST Technical File

Dear Tonya Spicuzza:

The Illinois Environmental Protection Agency (Illinois EPA) has reviewed the Stage 2 Site Investigation Plan (plan) submitted for the above-referenced incident. This plan, dated August 16, 2012, was received by the Illinois EPA on December 22, 2014. Citations in this letter are from the Environmental Protection Act (415 ILCS 5) (Act) and Title 35 of the Illinois Administrative Code (35 Ill. Adm. Code).

The Illinois EPA has determined that the activities proposed in this plan are appropriate to demonstrate compliance with Title XVI of the Act and 35 Ill. Adm. Code 734 (Sections 57.7(a)(1) and 57.7(c) of the Act and 35 Ill. Adm. Code 734.505(b) and 734.510(a)). Therefore, the plan is approved.

Further, the Illinois EPA has determined that the use of a project labor agreement (PLA) is required, as set forth in Attachment A. A *Standard Project Labor Agreement for UST Fund Corrective Action Work* (model PLA) is available on the Illinois EPA's Leaking UST Program Web site. The model PLA has been reviewed and approved by the AFL-CIO Statewide PLA Committee, which is the central committee authorized by all respective crafts to negotiate and sign PLAs on behalf of the crafts (PLA Committee). Please submit a signed copy of a PLA to the PLA Committee for the Committee's execution at the following address:

Michael T. Carrigan, President
Illinois AFL-CIO
534 South Second Street, Suite 200
Springfield, IL 62701-1764

Once the PLA is fully executed, a copy will be returned to the environmental consultant retained by the UST owner or operator so the environmental consultant will know when work conducted

under the PLA may begin. Please note that, as more fully set forth in Attachment A, when submitting an application for payment from the UST Fund, the UST owner or operator will be required to certify that work for which a PLA is required was performed under a PLA. The environmental consultant should provide a copy of the fully executed PLA to the UST owner or operator so the UST owner or operator will be able to make the certification.

The actual costs for Stage 1 are approved for the amounts listed in Section 1 of Attachment B (Sections 57.7(a)(2) and 57.7(c) of the Act and 35 Ill. Adm. Code 734.505(b) and 734.510(b)). Be aware that the amount of payment from the Fund may be limited by Sections 57.8(d), 57.8(e), and 57.8(g) of the Act, as well as 35 Ill. Adm. Code 734.630 and 734.655.

In addition, the proposed budget for Stage(s) 2 is approved for amounts determined in accordance with Subpart H, Appendix D, and Appendix E of 35 Ill. Adm. Code 734 (35 Ill. Adm. Code 734.310(b)). Costs must be incurred in accordance with the approved plan. Please be advised that costs associated with materials, activities, and services must be reasonable, must be consistent with the associated technical plan, must be incurred in the performance of corrective action activities, must not be used for corrective action activities in excess of those necessary to meet the minimum requirements of the Act and regulations, and must not exceed the maximum payment amounts set forth in Subpart H, Appendix D, and Appendix E of Part 734 (Section 57.7(c) of the Act and 35 Ill. Adm. Code 734.510(b)).

In the event that the use of a PLA will impact the project costs set forth in the approved or modified budget, a revised budget may be submitted for Illinois EPA review and decision. As set forth at 35 Ill. Adm. Code 734.800(a)(2), if the revised costs exceed the maximum payment amounts at 35 Ill. Adm. Code 734. Subpart H (Subpart H amounts), bidding is required in order for payment from the UST Fund to exceed the Subpart H amounts. Any bidding must be done in accordance with 35 Ill. Adm. Code 734.855, and the requirement for a PLA must be part of the invitation for bid.

Further, pursuant to 35 Ill. Adm. Code 734.145, it is required that the Illinois EPA be notified of field activities prior to the date the field activities take place. This notice must include a description of the field activities to be conducted; the name of the person conducting the activities; and the date, time, and place the activities will be conducted. This notification of field activities may be done by telephone, facsimile, or electronic mail—and must be provided at least three (3) working days prior to the scheduled field activities. Besides providing at least three days' notice to Leaking UST Section staff in Springfield, notification must be provided to Rob Mileur either by telephone at (618) 993-7223 or by e-mail at Robert.Mileur@illinois.gov.

Pursuant to Sections 57.7(a)(5) and 57.12(c) and (d) of the Act and 35 Ill. Adm. Code 734.100 and 734.125, the Illinois EPA requires submittal of a Stage 3 Site Investigation Plan, and budget if applicable, or Site Investigation Completion Report within 30 days after completing the site investigation to:

NOTICE OF PROJECT LABOR AGREEMENT REQUIREMENT

Please be advised that, pursuant to Section 57.7(c)(3) of the Environmental Protection Act (415 ILCS 5/57.7(c)(3)), the Illinois EPA has determined that a project labor agreement (PLA) is required for the work included in the plan for which the UST owner or operator is seeking payment from the Underground Storage Tank (UST) Fund. The basis for the Illinois EPA's determination that a PLA is required for the project is set forth, as follows:

Use of a PLA will advance the State's interest in labor continuity and stability in completing the project work in accordance with the plan approved by the Illinois EPA.

Use of a PLA will advance the State's interest of advancing minority-owned and women-owned business and minority and female employment.

A PLA is not required for project work for which no payment from the UST Fund is being requested.

Pursuant to Section 57.8 of the Environmental Protection Act (415 ILCS 5/57.8), applications for payment from the UST Fund must include a certification signed by the UST owner or operator stating that the work was (i) performed under a PLA that meets the requirements of Section 25 of the Project Labor Agreements Act and (ii) implemented in a manner consistent with the terms and conditions of the Project Labor Agreements Act and in full compliance with all statutes, regulations, and Executive Orders as required under that Act and the Prevailing Wage Act (820 ILCS 130).
