HEARING OFFICER ORDER

On November 5, 2015, all parties participated in a telephonic status conference with the hearing officer. The complainant stated that the stipulation and proposal for settlement (stipulation) was circulated for review, but that a few issues remain regarding future compliance. The complainant will initiate further discussions. The parties remain optimistic that a stipulation will eventually be filed.

By agreement, respondent's answer or other responsive pleading is now due to be filed on or before December 31, 2015.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 17, 2015, at 9:45 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
