On September 19, 2019, all parties participated in a telephonic status conference with the hearing officer. Petitioner Midwest Generation filed a response to public comments on July 1, 2019 that is under review by the Board. The petitioner stated that their consultants continue to have discussions with the Illinois Environmental Protection Agency's technical personnel regarding the recently enacted coal ash law (Public Act 101-171) and how it may or may not pertain to the above-captioned adjusted standard petition.

The parties are directed to participate in a telephonic status conference with the hearing officer on October 24, 2019, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
