ORDER OF THE BOARD (by A. Palivos):

On September 13, 2019, Jeet Singh d/b/a Aman Food & Gas (Singh) timely filed a petition asking the Board to review an August 6, 2019 determination of the Illinois Environmental Protection Agency (Agency). The Agency's determination concerns Singh's leaking underground storage tank (UST) site located at 1830 5th Avenue in Moline, Rock Island County. For the reasons below, the Board accepts Singh's petition for hearing.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2018)), the Agency decides whether to approve proposed cleanup plans and budgets for leaking UST sites, as well as requests for cleanup cost reimbursement from the State's UST Fund, which consists of UST fees and motor fuel taxes. If the Agency disapproves or modifies a submittal, the UST owner or operator may appeal the decision to the Board. *See* 415 ILCS 5/40(a)(1), 57-57.17 (2018); 35 Ill. Adm. Code 105.Subpart D. In this case, the Agency partially denied petitioner's corrective action plan and budget. Singh appeals on the grounds that the Agency failed to provide explanations for its modifications and that the submitted application was complete containing all information as required by the Act. Singh's petition meets the content requirements of 35 Ill. Adm. Code 105.408.

The Board accepts the petition for hearing. Singh has the burden of proof. *See* 35 Ill. Adm. Code 105.112(a). Hearings will be based exclusively on the record before the Agency at the time the Agency issued its determination. *See* 35 Ill. Adm. Code 105.412. Accordingly, though the Board hearing affords petitioner the opportunity to challenge the Agency's reasons for its decision, information developed after the Agency's decision typically is not admitted at hearing or considered by the Board. *See* Alton Packaging Corp. v. PCB, 162 Ill. App. 3d 731, 738, 516 N.E.2d 275, 280 (5th Dist. 1987); Community Landfill Co. & City of Morris v. IEPA, PCB 01-170 (Dec. 6, 2001), *aff'd sub nom.* Community Landfill Co. & City of Morris v. PCB & IEPA, 331 Ill. App. 3d 1056, 772 N.E.2d 231 (3rd Dist. 2002).

Upon its own motion or the motion of any party, the Board or the hearing officer may order that the hearing be held by videoconference. In deciding whether to hold the hearing by

videoconference, factors that the Board or the hearing officer will consider include cost-effectiveness, efficiency, facility accommodations, witness availability, public interest, the parties' preferences, and the proceeding's complexity and contentiousness. *See* 35 Ill. Adm. Code 101.600(b), 105.110.

Hearings will be scheduled and completed in a timely manner, consistent with the decision deadline (*see* 415 ILCS 5/40(a)(2) (2018)), which only Singh may extend by waiver (*see* 35 Ill. Adm. Code 101.308). If the Board fails to take final action by the decision deadline, Singh may deem its request granted. *See* 415 ILCS 5/40(a)(2) (2018). Currently, the decision deadline is January 13, 2020, which is the first business day following the 120th day after the date on which the Board received the petition, September 13, 2019. *See* 35 Ill. Adm. Code 105.114.

Unless the Board or the hearing officer orders otherwise, the Agency must file the entire record of its determination by October 14, 2019, which is the first business day following the 30th day after the date on which the Board received Singh's petition. *See* 35 Ill. Adm. Code 105.116(a), 105.410(a). If the Agency wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116(a). The record must comply with the Board's requirements for content, organization, and certification. *See* 35 Ill. Adm. Code 101.1030(g), 105.116(b), 105.410(b). In addition, the Agency must file the record electronically instead of in paper. Specifically, the record must be filed through the Clerk's Office On-Line (COOL) or on compact disk or other portable electronic data storage device and, to the extent technically feasible, in text-searchable Adobe PDF. *See* 35 Ill. Adm. Code 101.302(h)(2)(A), 105.116(a).<sup>1</sup>

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on September 19, 2019, by a vote of 4-0.
