AMENDMENTS TO: 35 ILL. ADM. CODE) (Rulemaking – Air)

HEARING OFFICER ORDER

The December 1, 2016 hearing officer order stated that the Board would accept post-hearing comments until December 9, 2016. On December 7, 2016, the Illinois Environmental Regulatory Group (“IERG”) filed a motion with the Board requesting additional time to comment. IERG and the Illinois Environmental Protection Agency plan to comment on requirements in the proposed regulation which, the motion states, may unnecessarily duplicate federal requirements.

Any participant may file post-hearing comments until December 16, 2016, at which time the comment period will close.

IT IS SO ORDERED.
