ORDER OF THE BOARD (by B.F. Currie):

On October 15, 2019, the Illinois Environmental Protection Agency (Agency) filed a recommendation on whether the Board should certify certain facilities of the Forman Creek Farm (Forman Creek) as “pollution control facilities” for preferential tax treatment under the Property Tax Code. *See* 35 ILCS 200/11-5 *et seq.* (2018); 35 Ill. Adm. Code 125. Forman Creek’s beef cattle facility is located at 2256 Knox Road 1150 E in Oneida, Knox County. The Agency recommends that the Board issue a tax certificate for Forman Creek’s concrete manure storage pit and concrete manure scrape alley, but deny a tax certificate for the concrete commodity and feed storage building, the concrete feed-bunks and transfer alley, and the bedded pack area (collectively, denied items).

If Forman Creek wishes to contest the Agency’s recommendation regarding the denied items, Forman Creek must file a petition to contest with the Clerk within 35 days after the Agency served the recommendation on Forman Creek. *See* 35 Ill. Adm. Code 125.206(a). If Forman Creek fails to timely file a petition, the Board may deny tax certification for the denied items based on the Agency’s recommendation.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on November 7, 2019 by a vote of 4-0.

Don A. Brown, Clerk
Illinois Pollution Control Board
