HEARING OFFICER ORDER

On October 29, 2014, all parties participated in a telephonic status conference with the hearing officer. Possible December 2014 hearing dates were discussed and the parties will continue the hearing date discussions at the next status conference. The petitioner is anticipating further discussions with the Illinois Environmental Protection Agency (Agency) regarding the Agency's recommendation.

The petitioner also awaits any questions the Board's Technical Unit may have. It is noted that depending on the extent of discussions with the Agency and the questions the Board's Technical Unit may have, the hearing may have to be at different dates than originally discussed.

The parties or their legal representatives are directed to participate in a telephonic pre-hearing conference with the hearing officer on November 6, 2014, at 11:30 a.m. The telephonic conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
