**HEARING OFFICER ORDER**

On November 21, 2019, all parties participated in a telephonic status conference. It was agreed by the parties that further discussions and maybe additional testing need to be done. It was suggested by the respondent that the additional discussions include representatives from its noise consultant.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 18, 2019, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
