**STATEMENT ON BEHALF OF CITGO HOLDINGS WITH RESPECT TO  
PROCEDURE OF THE FEBRUARY HEARINGS**

The Citgo Lemont Refinery has been a participant in various rulemaking proceedings relating to water quality standards in the Chicago Sanitary and Ship Canal for many years. The Board agreed with the testimony presented by the Refinery in the UAA process for the Lower Sanitary and Ship Canal and established a unique winter-time standard for chlorides. The Refinery is participating in this proceeding and would offer these observations with respect to the conduct of the forthcoming hearings.

The Lemont Refinery would suggest that the Board follow its approach used in rulemaking proceedings, taking into account the unique nature of the new Time Limited Water Quality Standard proceedings. Petitions and other information already submitted should be made a part of the hearing record. Additional information, including any matters in dispute, would be

addressed in pre-filed testimony and in testimony presented at the Hearing. We would suggest the following process:

1. All Petitions, Supplemental Information, Responses to the Questions from the Board, Agency Responses and replies to Board and Agency questions and responses be deemed admitted without the need for further testimony.

2. Any party may file testimony to supplement filings already made if they so choose, but are not required to do so. To the extent any party disagrees with statements filed, it should include relevant information to identify the topic or issue in dispute in its pre-filed testimony.

3. Any party may present testimony at the hearing regardless of whether it has filed pre-filed testimony. However, any such testimony shall not be submitted until after all pre-filed testimony and questions to such testimony have been presented at the hearing.

4. The Hearing Officer may make further refinements and adjustments to the presentation of testimony and questions.

The Lemont Refinery appreciates the Board's consideration of these suggestions.

Respectfully Submitted,

CITGO HOLDINGS, INC.
