**HEARING OFFICER ORDER**

On December 17, 2015, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on the Illinois Environmental Protection Agency's (Agency) written motions to consolidate and for extensions of time to file the Agency's respective recommendations.

On December 17, 2015, the Board granted all the Agency's motions to consolidate for purposes of hearing. The Board, on its own motion, also consolidated Village of Orland Park v. IEPA, PCB 16-15, Noramco-Chicago, Inc., v. IEPA, PCB 16-22, and Flint Hills Resources Joliet, LLC v. IEPA, PCB 16-23 with the above-captioned variance cases for purposes of hearing. The Board, however, did not address the Agency's motion for extensions of time to file the respective recommendations. To that end, the Agency's motions for extensions of time to

file the respective recommendations, including the recommendations in PCB 16-15, PCB 16-22 and PCB 16-23, are granted to the extent that the recommendations in the above-captioned cases are now due to be filed on or before May 18, 2016.

Petitioners stated that they will file additional waivers of the statutory decision deadline to and including September 15, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 21, 2016, at 11:00 a.m. The telephonic status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
