ORDER OF THE BOARD (by T.E. Johnson):

On September 10, 2001, Bridgestone/Firestone Off-Road Tire Company (Bridgestone/Firestone) timely filed a petition asking the Board to review an August 6, 2001 determination of the Illinois Environmental Protection Agency (Agency). The Agency's determination concerns Bridgestone/Firestone's off-road rubber tire manufacturing facility located at Veterans Parkway and Fort Jesse Road, Bloomington, McClean County.

On June 4, 2002, Bridgestone/Firestone filed a voluntary withdrawal of petition for administrative review and stay of effectiveness asserting that the parties have reached an agreement and requesting leave to withdraw its petition. The Agency did not file a response to this request, and pursuant to Section 101.500(d) of the Board's procedural rules is deemed to have waived objection. *See* 35 Ill. Adm. Code 101.500(d). Bridgestone/Firestone's request is granted, and the docket is closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 11, 2002, by a vote of 5-0.

Illinois Pollution Control Board
