OPINION AND ORDER OF THE BOARD (by B.K. Carter):

On July 19, 2019, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a four-count complaint against Signcraft Screenprint, Inc. (Signcraft). The complaint concerns Signcraft’s screen printing operation at 11367 Industrial Park, Galena, Jo Daviess County, Illinois (Facility). The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2018)), the Attorney General and the State’s Attorneys may bring actions before the Board to enforce Illinois’ environmental requirements on behalf of the People. *See* 415 ILCS 5/31 (2018); 35 Ill. Adm. Code 103. In this case, the People allege that Signcraft violated:

1. Section 9(b) of the Act (415 ILCS 5/9(b) (2018)) and Section 201.142 of the Board air pollution regulations (35 Ill. Adm. Code 201.142) by constructing an emissions source with a permit;
2. Section 9(b) of the Act (415 ILCS 5/9(b) (2018)) by exceeding lifetime operating permit limitations;
3. Section 39.5(6)(b) of the Act (415 ILCS 5/39.5(6)(b) (2018)) by operating a stationary source without a permit; and
4. Section 31(a)(7.6) of the Act (415 ILCS 5/31(a)(7.6) (2018)) by violating a compliance commitment agreement.

On December 20, 2019, the People and Signcraft filed a stipulation and proposal for settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2018)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2018)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation,

proposal for settlement, and request for relief. The newspaper notice was published in the *Galena Gazette* on January 22, 2020. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. See 415 ILCS 5/31(c)(2) (2018); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Signcraft's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2018)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Signcraft does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2018)), which may mitigate or aggravate the civil penalty amount. Under the proposed stipulation, Signcraft agrees to pay a civil penalty of \$37,500 within 30 days after the date of this order. The People and Signcraft have satisfied Section 103.302. The Board accepts the stipulation and proposal for settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.

2. Signcraft must pay a civil penalty of \$37,500 by March 23, 2020, which is the first business day following the 30th day after the date of this order. 5. Signcraft must comply with the terms of the June 14, 2016 Compliance Commitment Agreement, attached to the stipulation and proposal for settlement as Exhibit A, until the Illinois EPA issues a new permit for operations at the Facility.
6. Signcraft must cease and desist from future violations of the Environmental Protection Act and Board regulations that were the subject of the complaint.

IT IS SO ORDERED.

Section 41(a) of the Environmental Protection Act provides that final Board orders may be appealed directly to the Illinois Appellate Court within 35 days after the Board serves the order. 415 ILCS 5/41(a) (2018); *see also* 35 Ill. Adm. Code 101.300(d)(2), 101.906, 102.706. Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335. The Board's procedural rules provide that motions for the Board to reconsider or modify its final orders may be filed with the Board within 35 days after the order is received. 35 Ill. Adm. Code 101.520; *see also* 35 Ill. Adm. Code 101.902, 102.700, 102.702. Filing a motion asking that the Board reconsider this final order is not a prerequisite to appealing the order. 35 Ill. Adm. Code 101.902.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above opinion and order on February 20, 2020 by a vote of 4-0.
