ORDER OF THE BOARD (by J.A. Burke):

On December 23, 2015, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a three-count complaint against H & H Oil, LLC (H&H). The complaint concerns soybean processing wastes allegedly dumped at a facility owned by H&H and located at 203 24th Street in Cairo, Alexander County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2014)), the Attorney General may bring actions before the Board to enforce Illinois' environmental requirements on behalf of the People. *See* 415 ILCS 5/31 (2014); 35 Ill. Adm. Code 103. In this case, the People allege that H & H violated Section 21(a) of the Act (415 ILCS 5/21(a) (2014)) and Sections 809.201 and 809.501(e) of the Board's waste disposal regulations (35 Ill. Adm. Code 809.201, 809.501(e)), by open dumping waste at a site not permitted as a landfill, transporting special waste generated within Illinois, disposing of that special waste in Illinois without a special waste hauling permit, and failing to deliver and retain required hazardous waste manifests.

Simultaneously with the People's complaint, the People and H&H filed a stipulation, proposed settlement, and request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2014)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2014)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in *The Cairo Citizen* on January 28, 2016. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2014); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of H&H's operations. Section 103.302 also requires that the parties stipulate to facts

called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2014)), which bears on the reasonableness of the circumstances surrounding the alleged violations. H&H admits the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2014)), which may mitigate or aggravate the civil penalty amount. H&H agrees to pay a civil penalty of \$10,000. The People and H&H have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.

### **ORDER**

2. H&H must pay a civil penalty of \$10,000 no later than April 4, 2016, which is the first business day following the 30th day after the date of this order. 5. H&H must cease and desist from future violations of the Act and Board regulations that were the subject matter of the complaint.

IT IS SO ORDERED.

Section 41(a) of the Environmental Protection Act provides that final Board orders may be appealed directly to the Illinois Appellate Court within 35 days after the Board serves the order. 415 ILCS 5/41(a) (2014); *see also* 35 Ill. Adm. Code 101.300(d)(2), 101.906, 102.706. Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335. The Board's procedural rules provide that motions for the Board to reconsider or modify its final orders may be filed with the Board within 35 days after the order is received. 35 Ill. Adm. Code 101.520; *see also* 35 Ill. Adm. Code 101.902, 102.700, 102.702.

I, Don A. Brown, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 3, 2016, by a vote of 5-0.
