(CAAPP Permit Appeal – Air)

HEARING OFFICER ORDER

On April 7, 2014, the parties and the intervenor, American Bottom Conservancy (ABC), participated in a telephone status conference with the hearing officer. Petitioner is working on an application for a permit revision that is not related to any permit pending before the Board. Petitioner may file a motion to stay this proceeding, as no movement on this appeal is likely pending the issuance of the unrelated revised permit.

ABC contends that it is disingenuous for petitioner to claim that this new permit revision application is unrelated to this appeal, and suggests that it is being used for delay or to inhibit ABC's participation. Given the complicated nature of the dispute between petitioner and ABC, the hearing officer will not take any action on this issue at a status conference. If ABC would like the Board or hearing officer to issue an order, a written motion must be filed.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on July 7, 2014. The status conference shall be initiated by the petitioner.

The decision deadline is November 6, 2014.

IT IS SO ORDERED.

Carol Webb
Hearing Officer
Illinois Pollution Control Board
