HEARING OFFICER ORDER

On January 30, 2020, all parties participated in a telephonic status conference. The attorney for respondent stated that the compressor has been moved inside and noise deflectors installed. The respondent and its expert continue to address the dust collector issue. The attorney for complainant will meet with the respondent prior to the next status conference for further discussion.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 4, 2020, at 11:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
