MOTION FOR VOLUNTARY DISMISSAL

Petitioner, SABIC INNOVATIVE PLASTICS US LLC, by and through its attorneys, hereby moves to voluntarily dismiss the above-captioned matter. In support of this motion, Petitioner states as follows:

1. On or about January 6, 2004, Petitioner (known at the time of filing as General Electric Company, d/b/a GE Plastics) filed a Petition for Review by the Illinois Environmental Protection Agency (“Illinois EPA”) before the Illinois Pollution Control Board (the “Board”), in which Petitioner sought review of the Clean Air Act Permit Program (“CAAPP Permit”) issued to it on November 25, 2003.

2. On April 16, 2020, the Board granted the Joint Motion to Lift Stay of Uncontested CAAPP Permit Conditions and Request For Remand to Respondent to Revise CAAPP Permit’s Term of Duration filed by Petitioner and Respondent, Illinois Environmental Protection Agency, *ex rel.* Kwame Raoul, Attorney General of the State of Illinois. The Board remanded the CAAPP permit that is the subject of this appeal to the Illinois EPA, while maintaining jurisdiction over this cause.

3. On the same day that the Board granted the Joint Motion, the Illinois EPA issued to

Petitioner the modified CAAPP permit which established new effective and expiration dates reflecting the five-year tenure of the CAAPP permit and incorporated the revisions negotiated by the parties.

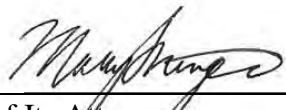

4. The modified CAAPP permit resolves the issues and matters raised in and relating to the above-captioned permit appeal.

5. Accordingly, Petitioner respectfully requests that the Board grant this Motion to voluntarily dismiss the above-captioned matter.

6. Pursuant to the request in Petitioner and Respondent's Joint Motion granted on April 16, 2020, Petitioner further requests that the Board state in its Order granting this Motion that the effective date of the dismissal of this permit appeal shall be retroactive to the date Illinois EPA issued the modified CAAPP permit, April 16, 2020.

Respectfully submitted,
