ORDER OF THE BOARD (by J. Anderson):

On October 23, 1987, North Hills Mutual Sewer Association (NHMSA) filed a motion to vacate the Board's Order of August 14, 1986 and for NHMSA's dismissal as a party. No responses have been filed to this motion.

While it is apparent from the notice of filing and proof of service that the Agency and the Attorney General have been served with this motion, it is unclear whether Vickery Manor has been so served. The third person to whom the motion is addressed is Joseph S. Wright, Jr. of the firm Martin, Craig, Chester and Sonnenschein, who has filed no appearance in this matter. The Board's records show the only appearance on behalf of Vickery Manor as having been made by Andrea Sykes Foote and Robert A. Knuti of the firm Lord, Bissell and Brook.

The Board will take no action on this motion until 1) it has received proof of service of the motion on counsel who has filed an appearance on Vickery Manor's behalf, and 2) the time for response to the properly served motion has run. To aid clarification of this problem of representation, the Clerk's Office is directed to make service of this motion on Mr. Wright by first class mail only, in addition to making usual service of the motion on the attorneys who have filed appearances.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 25<sup>th</sup> day of November, 1987, by a vote of 6-0.
