ORDER OF THE BOARD (by I. Goodman):

On June 4, 1982 the Illinois Environmental Protection Agency (Agency) filed a Motion for Order which requested that the Petitioner provide information identifying the original permittee and the present holder of the permit which Petitioner is seeking to extend by this variance proceeding. The Agency also requested that Petitioner address the legal authority for and transfer of this permit. An addendum correctly identifying the exhibits attached to the motion was filed by the Agency on June 9, 1982. No response by the Petitioners has been filed.

Since filing this motion, the Agency has served Petitioner with Interrogatories and Request for Admission of Facts which address the identity of the permittee in this proceeding. Thus normal discovery methods will provide the information requested by the Agency. As for the legal issues involved in a possible transfer of the permit, the parties are free to address these in briefs submitted to the Board prior to its final decision. The motion is denied.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 1st day of July, 1982 by a vote of 5-0.

Christan L. Moffett, Clerk
