HEARING OFFICER ORDER

This order is issued to set the date and time for a prehearing conference in this rulemaking. All participants interested may attend a prehearing conference on July 6, 2020, at 10 a.m. The prehearing conference will be used to discuss Illinois EPA's motion for extension of time. Participants may attend by calling 1-888-494-4032 and entering the access code 7139237824#.

On June 30, 2020, Illinois EPA filed a motion for extension of time with regards to the deadline for pre-filed answers in this matter. Illinois EPA requested changing the deadline for pre-filed answers from July 14, 2020, to August 3, 2020. If granted, this may require changing the (1) dates for the first hearing; (2) pre-filing dates for the second hearing; (3) dates for the second hearing; and (4) setting a date to close the record in this matter.

The prehearing conference will be used to discuss potential dates for the above items, if we decide that the dates should be changed the following are potential dates.

1. First hearing: August 11, 12, and if necessary, 13, 2020.
2. Pre-filing dates for the second hearing: pre-filed testimony due August 27, pre-filed questions due September 10, and pre-filed answers due September 24, 2020.
3. Second hearing: September 29, 30 and, if necessary, October 1, 2020.

In order to ensure that this rulemaking is completed by March 30, 2021, the record in this proceeding will close on October 30, 2020. This date is not flexible.

IT IS SO ORDERED.
