PROPOSED RULE. FIRST NOTICE.
ORDER OF THE BOARD (by J. Marlin):

R83-28 involves the adoption of regulations implementing the prohibition of landfilling of liquid hazardous waste (§22.6 of the Environmental Protection Act (Act)). On June 29, 1984, the Board adopted emergency rules in R83-28A (8 Ill. Reg. 12668, effective July 5, 1984). On January 10, 1985, the Board adopted temporary rules in R83-28B which replaced the emergency rules pending receipt of the economic impact study (9 Ill. Reg. 718, effective January 3, 1985). Pursuant to Section 27 of the Act, such temporary rules can remain in effect for no more than one year. The Board opens docket R83-28C for the purpose of considering the economic impact.

The Board received the economic impact study from the Department of Energy and Natural Resources on September 24, 1985. Because of the time constraints imposed by the expiration of the temporary rules, the Board proposes, for first notice, to readopt the temporary rules as permanent rules without change. The Board will conduct economic impact hearings and receive comments prior to reaching any decision as to what action it should take with respect to final readoption or amendment of the temporary rules.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of October, 1985 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
