Subject: [External] Re: Sierra Club v. Midwest Generation, LLC - PCB 13-015
Date: Friday, August 14, 2020 1:52:56 PM

Hearing Officer,

Complainants oppose Midwest Generation's Motion to Strike because it cites no legal authority for the relief that they are seeking. We do not oppose their alternative request for leave to file a surreply, so long as it's filed by Friday August 21st.

Please let me know if you have any questions.

Thank you,

Faith E. Bugel
