HEARING OFFICER ORDER

On December 17, 2015, all parties participated in a telephonic status conference with the hearing officer. The parties stated that permit process is near completion and that the question of whether or not the permit can be transferred to another facility will hopefully be answered within the next two weeks.

In an effort to assist the Board regarding the status of the above-captioned appeal, the parties are directed to address the attached questions in a filed written response, either jointly or otherwise, on or before January 18, 2016.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 7, 2016, at 11:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a motion to dismiss is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.

BOARD QUESTIONS

The Board directs both parties in this case to respond to the following questions:

1. It is the Board understanding that the Meredosia facility has ceased operations. Explain why parties continue to pursue an appeal of an operations permit for a non-operative facility.
2. Which permit conditions that were originally challenged have been resolved in settlement negotiations and which ones have not?
3. When did the parties to this appeal last meet to discuss settlement?
4. Which party made the last settlement proposal and who is reviewing that proposal? Does the proposal resolve the entire appeal or only one part of the appeal?
